

ERA Member Orientation

"Maximizing your membership investment"

Join us at the Columbus office of Employers Resource Association where we will host a Member Orientation event.

This orientation provides the opportunity to: review ERA Member benefits and services; be introduced to our Board Members; meet the ERA professional team and learn about the range of expertise and services the team has to offer; and learn about the services and member discounts provided by our Partnered Services.

Why attend?

- Learn how to maximize your membership investment
- Get to know our Staff of Professionals
- Find out about ERA Services
- Learn about our Partnered Services

We invite you to attend and learn how to get the most from your membership investment.

Even if you have been a member for years, you or your more recent staff members would benefit from a refresher about the services ERA provides.

We look forward to seeing you there!
